The Village of Rhinebeck is Working to Become an Autism Supportive Community (ASC), the first of its kind in the Hudson Valley!

We’re asking every village business, place of worship, school, nonprofit, and community group to do JUST ONE THING to support people with Autism. Anderson Consulting will provide training needed to help all of us better understand what small steps we can take that will have a big, positive impact on the 1 in 59 diagnosed.

Attend one of these upcoming events - and while you’re there, sign up to do JUST ONE THING!

**February 19th, 7:30-9am at Beekman Arms**
Rhinebeck Area Chamber of Commerce Business Breakfast
Sponsored by Cale Communications; Keynote: Anderson Center for Autism
Tickets: rhinebeckchamber.com

**February 19th, 9-10am at Beekman Arms**
Anderson Center Consulting Training for all who wish to be included on the roster of businesses & organizations who are partners in the Village of Rhinebeck Autism Supportive Community Initiative
Cost: **FREE OF CHARGE**

At both the breakfast & training, Anderson Center for Autism staff will shed light on what autism is and how to support those impacted. The 1-hour training at 9am on Feb. 19th will give participants an overview of exactly what modifications they might consider making to their operations/facilities to gain designation as an official part of the Village of Rhinebeck Autism Supportive Community initiative. Those businesses who pledge to do just one thing to help this population, and who deliver on that pledge, will receive formal recognition noting their participation in the project and will be included as part of a roster of businesses listed on the Chamber website on a special web page sponsored by Dave’s Tree Service for “Autism Supportive Businesses.”

**RSVP:** info@rhinebeckchamber.com or 876.5904
